

# Bead Fish

1. You will need:

**½ pipe cleaner OR equivalent**, this could be anything firm - piece of wire, or even freezer tag.

**Beads OR equivalent**, perhaps you have some buttons

**A keyring, or some other ring** – perhaps a curtain ring or hoop of some sort.

2. Thread the key ring to the centre of the pipe, cleaner and twist once to hold ring in place.

3. Thread x7 beads on each side

4. Twist the tail end to keep beads
